Subject: Top pros use ADBASE for less

Dear Barnaby,

Ever wonder how the top professional illustrators manage to stay so busy? It's not just their reputation and a stellar portfolio.

Many of them use a powerful, automated system for keeping their work constantly in front of potential buyers' eyes – the **ADBASE Online Custom List Service**. Now you can, too – for a lot less...

For a limited time, you can subscribe to the ADBASE North American Edition at 20% off our regular rates. But you must CALL us at 1-877-500-0057 by May 31 to take advantage.*

Why do so many top pros use ADBASE? Because it offers so much more than a mailing list. ADBASE is an online, interactive database that gives you 24-hour access to the best buyers in North America for your photography... and UNLIMITED opportunities to reach them!

Here's how one of our subscribers put it:

"ADBASE is by far the best deal I've come across for reaching my client base: comprehensive, easy to access, and very affordable... ADBASE has the versatility to provide much more than simple mailing lists do."
 - Marc Burckhardt, Illustrator

Hundreds of creative professionals use ADBASE and get great results. You can, too. Just visit www.adbase.com for a **FREE TOUR** and see for yourself. Or call me toll-free at **1-877-500-0057** before May 31 and see how you can take advantage of this limited-time offer!
